Immunizations-

This month Elizabeth will begin the state required student immunization record review. If your child has received an immunization in the past year, please let Elizabeth know so that your child's file can be updated. If you are not sure if your child needs an update now would be a good time to check in with your pediatrician. THANK YOU for your cooperation.

Holiday Service Project

Each holiday season our school plans a service project. This years' service project will benefit the homeless children at Portland's Community Transitional School. Please bring in store bought, handmade or even gently used hats mittens or gloves for children of all ages. This may be the only gift some of these children will receive this holiday season —let's give the gift of caring **and** warmth! And what a great way to talk with your family about how fortunate we all are. **This event will begin on Monday, Dec.1st and will run through Tuesday, Dec. 17th.**

SNOW POLICY :

Woodward Montessori follows the Portland Public School (PPS) inclement weather schedule. In the event of questionable weather please check in with the PPS website www.pps.net to see if school will be closed or opening late.

If PPS is opening late, our opening time will be delayed by that same amount of time. (We open at 7:30 so if it's a 2 hour delay we will open at 9:30 AM) The half-day program will end at its usual time. If snow conditions begin while school is in session, check the PPS website and listen to news reports to determine if you should leave early to pick up your child or have a back-up person pick up your child.

**So much to be thankful for~
Elizabeth & Julia**
