Earth Day

In honor of Earth Day, we will be talking about reducing, reusing & recycling. We will be discussing how small things can and do make a big impact on our Earth! One day each week we will have a lesson on caring for our Earth

****Children staying for lunch**** we ask that your family do its earth-friendly part. Please pack cloth napkins (we use 2 napkins; one to set on the table to define your child's lunch space and a second for wiping hands/mouth), cutlery & bring a cup for a beverage. Sending reusable items will help reduce paper and plastic. *If you're already doing this THANK YOU!! ☺ ☺
