Outside time:

We go outside 3 times each day for socialization & play: 9:00 AM, 11:00 AM & 3:00 PM. Please send your child in shoes that they can get on/off themselves & that are good for running and climbing. If they are wearing sandals, please make sure the sandals have a back. Our outside play area is quite shady, but some families like to send their child to school with sunscreen applied. Please do not send sunscreen in your child's backpack as the state considers it medication.

Summer Vacation Requests:

Tuition credit is available for up to 2 weeks during the summer session. If you're taking vacation please submit a vacation request form at least **21 days prior to your intended days off**. No credit will be given if a Request Form is not received.

Sharing Days

Sharing days are Wednesday & Thursday during the morning music circle. We invite children to bring informational & educational objects such as books, shells, found objects, cards or objects the children have made. We ask that your student bring an item on only 1 of the sharing days so that all children have ample time to talk about their item. *If you bring a book please help your child place a book mark on their favorite page. ***Please label the item with your child's name.** *Please remind children that toys should remain at home.
